LASER HAIR REMOVAL

We use the award winning Alma Laser Machine.
it's one of the most effective, safest and virtually pain free laser hair removal systems available.

For optimum results:
8-12 sessions are recommended 4-8 week apart, plus maintenance every 4-6 months.

important information:
You will need to do a clean shave of the targeted areas the night before your appointment. An additional fee will be charged if you have not shaved.
